

Front cover

**Contents text but not a contents page because  
the regex does not match**

There is an index marker on the bottom of the previous page, the word Contents, but with no text colour, so you can't see it! That leaves us a blank page onto which we can put the index

25 June 2025. Lots of headings

26 June 2025. Lots of headings

27 June 2025. Lots of headings

28 June 2025. Lots of headings

29 June 2025. Lots of headings

30 June 2025. Lots of headings

*Actual last page*
